

Continuing Education Instructions for the RISE26 Mobile App

How To Obtain Continuing Education Credit

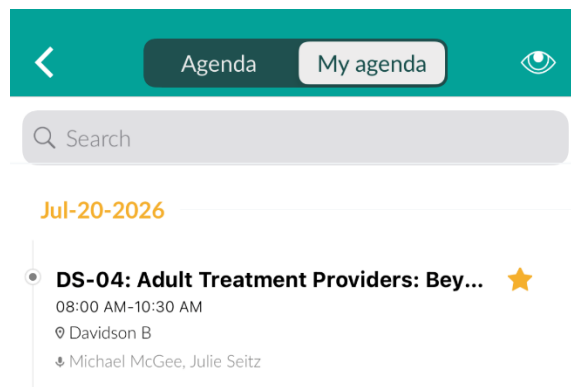

1. Click the “Agenda” module.

2. Find the session and add it to your personal schedule (i.e., the “My agenda” tab) by clicking the star icon. Once selected, the star will turn orange.

3. Once you've attended the session, return to the “My agenda” tab and click on the starred session you would like to evaluate.

4. In the “Detail” session view, click “Session Evaluation Survey.”

Session Evaluation Survey

5. Once you have completed the survey, click “Submit Evaluation.”

6. Repeat these steps for each session you attend.

Please note: Attendees can only add one session per session time period to their personal schedule (“My agenda”). If you attend a different session than the one starred on your agenda, we recommend that you star the correct session to ensure that your schedule matches the sessions you will be evaluating for credit.

While there is no limit to the number of sessions you can evaluate, you can only receive continuing education credit for one session per session time period (i.e., you cannot receive credit for more than one session happening simultaneously). If you complete evaluations for simultaneous sessions, the system will default to the session starred on your agenda.

How To Retrieve Your Certificate

1. Shortly after the evaluation deadline, you will receive an email from All Rise with a link to download your certificate.
2. If you require any changes or see incorrect information, email continuingeducation@allrise.org.
3. Alternatively, you can log in to your [RISE25 registration account](#) by using the same credentials as the app:
 - a. Your username is the email address associated with your RISE25 registration.
 - b. Your password is your 8-digit registration confirmation number.
4. Once you log in, you will see your registration information with a link to download your certificate.

*The deadline for Arkansas, Illinois, and Louisiana is **July 31, 2026**.*

*The deadline for all other states is **August 7, 2026**.*
